- 1 x 4" H Candle
- 1 x 5" H Candle
- 1 x 6" H Candle
- 1 x Remote Control

PRODUCT OVERVIEW

OPERATION

This LED flameless candle set includes 3 candles. Each candle runs on battery power. Each of them requires 3 pieces of AAA batteries that are not included. You'll need to place batteries into the candles before use.

Remote: Before use remove the slip of plastic inserted in the battery compartment located at the back of light.

Battery Placement: Open the battery compartment located at the bottom of candle and place inside 3 AAA batteries in accordance with polarities.

Turn On: Slide the power switch at the bottom of candle to the ON position.

Turn Off: Slide the power switch at the bottom of candle to the OFF position.

REMOTE CONTROL

1. This LED flameless candle set includes a remote control for easy operation within a range of 6 meters/20feet away from the candles. To control the candles from the remote control, turn on the candles by sliding the power switch to the ON position.
2. This remote control can control one, two or three candles altogether.

A: To control multiple candles simultaneously, you'll need to place the candles close to each other.

B: To control an individual candle out of the three, you'll need to move it away from the rest of candles and press the corresponding buttons with the remote control directly at the candle. This will allow for you to set the three candles to light up in different colors.

1. ON: press to turn on the candles
2. OFF: press to turn off the candles
3. Mode: press it once to make the light of candles flicker, press it once again to exit flickering mode.
4. 4H: press to set the candles to automatically turn off after 4 hours
5. 8H: press to set the candles to automatically turn off after 8 hours
6. Multi-Color: press it once to set the light of candles to automatically cycle through 12 colors in phases. Press it once again to stop color changing at the exact color

you like.

7. Color Code Buttons: press a button to set the light of candles to the corresponding color.
